Quantity	Container Capacity (gal/ltr)	Hazmat (Y/N)	Triple Rinsed (Y/N)	Product last contained (if triple rinsed not required)	container type: (jug/drum/ibc)

Date shipment will be ready for pickup - _____

Upon submitting this request you are hereby certify that these containers are “RCRA empty” according to 40 CFR 261.7(b) (1). All material must be removed, no residue or heel.

Under rules of DOT, all IBCs closures must be on the IBC, cap, valve, and fittings. IBCs must be in reusable condition.

Containers having a lading of P Listed or products on the List of Lists by EPA must be triple rinsed

Residual non-hazardous heels left over in IBCs will be subject to $15.00 per gallon or rejected at dock with a return fee.

By signing the below, you agree with the above and our standard program rules listed at www.gpsrecycle.com.
